# ABOUT US

Rio COMPANY FOR HOUSEHOLD ITEMS
Our company started household items production **15** years ago. We have become one of the top providers of household items for the Egyptian market since **2015**.

Rio aims to win consumers satisfaction and trust by making their life easier and more comfortable.

Day by day, Rio keeps on a sustainable process of improvement in order to meet customer's needs. Depending on our sectoral experience and understanding that gives the priority to our dear customers our company pays superior attention to fulfilling production and delivery commitments, the thing that was highly appreciated home and abroad.

From the perspective of the importance of science, Rio keeps on a continuous research and development studies that always give priority to quality and commercial ethics.

Rio always pays the top attention to health and quality standards more than profit. At all stages of production, from design to raw materials, and from production to packaging, quality is the most important factor.

All the time, Rio is always committed to the government goals and we are proud to take part in applying the governmental vision by following the highest quality standards and using the latest technology machinery and equipment.
